

**SKILLED ATHLETES STRIVING.**  
 Myers Wins Two Pretty Races, and Murray and Quackenbush Break Records.

The two postponed fall meeting of the New York Athletic Club was held on the grounds at Mott Haven yesterday. The weather was excellent, the tracks were in good condition, and by 2 P.M. the grand stand was crowded. Bringings the rings were crowds of men, on the drives were many private carriages, and spectators swarmed on the surrounding hills, houses, trees, and fences.

It has been announced that L. E. Myers, M. W. Ford, Golden F. Murray, and the brawny Quackenbush would attempt to break their previous records. Most of them failed to do so, but Murray beat the world's record in a one-mile walk, and Quackenbush in casting the 66-pound weight.

Edward Kelly, N. Y. A. C., 7½ yards; G. R. Smith, Williamsburgh A. C., 3 yards; L. P. Smith, Manhattan A. C., 5½ yards; W. G. Morse, N. Y. A. C., 5 yards; and C. A. J. Quackenbush, N. Y. A. C., 9 yards, were the competitors in the final heat of the 100 yards dash. Quackenbush won in 10 seconds, Kelly second, and Smith third.

M. W. Ford of the New York A. C. beat the record of 10 feet in the standing broad jump by 1½ inches.

H. H. Baxter, N. Y. A. C., won in pole vaulting, clearing the bar at 10 feet 6 inches.

The club handicap, 220 yards run, for the Delrich diamond model, was won by H. M. Morrissey in 40 seconds; George H. Taylor, 48 seconds.

The running high jump for club members was won by H. H. Sawyer, who cleared the bar at 5½ feet in 1½ inches; M. W. Ford jumped 6 feet 4 inches.

Next was the quarter-mile run, in which L. E. Myers, the champion, ran the record of 48.35 seconds. He was heavily handicapped all along from 20 yards to 50 yards, and it did not seem possible that he could win. But he did, and the record was broken in front of him. As usual, Myers ran behind his competitors until they began to bunch up, then down, on by one, and with a mighty springing effort, glided to the front and broached the same several yards in the lead. E. O. Gruber, New York, was second.

The half-mile run for club members was won by E. M. Yeomans, scratch, H. C. Taylor, 23 yards, second; Timo, 2 minutes 6½ seconds, third; won by Louis Stevens, Princeton College, 25 yards; Ed. Petrus, Kings County Whomsemen, 2 minutes 7½ seconds; and 2½ minutes 2 seconds.

A three-hundred yards hurdles race was won by G. Mason, Williamsburgh A. C., scratch.

Bostwick, Crescent A. C., 5 yards, second.

Time trials for breaking broad jump for club members was won by M. W. Ford, who cleared 20 feet 7½ inches.

The one-mile run, handicap, went to A. M. Myers, M. W. Ford, and the scratcher, Stevensbridge, West Side A. C., scratch a close second.

Time trials for the one-mile walk, in which P. M. Murray, Williamsburgh A. C., attempted to break the amateur record of 32:22.5, made up 18, 1880. He was heavily handicapped from 30 yards to 100 yards, and was the race for him to 22:33 seconds, thus securing the best amateur record in the world.

The one-mile race for club members at throwing the 16-pound hammer was won by J. H. Gray, who cast it 71 feet 11 inches. Quackenbush allowing him a handicap of 15 feet, Quackenbush then cast it 73 feet 11 inches, and breaking the record of 72 feet, and beating the record of 25 feet 2½ inches.

He came to the scratch again. In the half-mile run against nine competitors, whose handicaps ran from 30 yards to 80 yards, he beat to his previous record of 1:55:3-5. As usual, he ran behind his competitors until the apparent ease, and so swiftly did the start and very athlete glide along the track that it was thought to be beaten the record. The again beat the time, and the record was established. Princeton College, 30 yards, was second.

The obstacle race, an amusing affair, was won by M. W. Ford, N. Y. A. C., 2 minutes 17½ seconds. The last warhorse, with mounds, married against single men, was won by the Benedictos.
